

# KRISHNA'S Pictionary

## How to play:

- ✚ Divide everyone into groups of 2-5 people.
- ✚ One person in each group is the drawer, and the others are the guessers.
- ✚ The drawers get a word that is related to Krishna from a few categories: object, personality, place and pastime.
- ✚ This word needs to be drawn out without talking, and the guessers need to guess what word is being drawn.
- ✚ The time is limited! The minimum limit is usually 1 minute, but it can be varied depending on the age and abilities of the groups.
- ✚ The first group to guess their word wins!
